Signed That All Information Is True, Accurate and Correct

And Agree To The Conditions In this Application!

I sign this document that all the information above is true and correct and that if any information supplied has been falsified, will lead to my dismissal. If any information becomes known to **Lake Security** after employment that differs from the information supplied on this document, **Lake Security** reserves the right to dismiss you. It is your responsibility to make sure that you are registered with P.S.I.R.A. and that your certificate is valid. You will submit to a polygraph test prior to employment if requested and if failed, will not be employed by **Lake Security!** You will take a polygraph test at any time when instructed to do so by Lake Security! If employed you may be required to write tests about company rules and procedures or any other tests to improve performance! You may be required to undertake blood tests before or during employment for narcotics or any banned substances! You agree to have your bags and yourself searched before signing on duty and during work. If you are dismissed for any reason, it will be in writing and only after you have been called to a hearing! If you feel that you were unfairly treated, you may refer the matter to the CCMA (78 Darling Street, Cape Town) Tel: 021 469 0111
